European Diploma in Breast Imaging

This is to certify that

Viktor Michanov Jensen

having satisfied the examination requirements
online, on October 29, 2025,
has aquired the European Diploma in Breast Imaging (EDBI).

This qualification attests a standard of in-depth knowledge in the field of Breast Radiology as outlined in the Breast Radiology chapter of the ESR European Training Curriculum for Subspecialisation in Radiology.

Prof. Andrea G. Rockall
Chair of the ESR Board of Directors

Prof. Michael Fuchsjäger
EUSOBI President

endorsed by the European Society of Radiology
