

EUROPEAN DIPLOMA IN RADIOLOGY

The European Board of Radiology certifies that

IVAN CETINIC

Having satisfied the examination requirements on

JANUARY 28TH 2022

has been awarded the European Diploma in Radiology (EDiR)

This qualification attests a standard of radiological knowledge deemed appropriate by the European Board of Radiology for independent practice in general radiology, based on the established European Training Curriculum for Radiology.

EDiR is officially and fully endorsed by the European Union of Medical Specialists (UEMS) and the European Society of Radiology (ESR). The examination is overseen by the European Board of Radiology (EBR), in accordance with standards set by the ESR.
