

EUSOBI
european society of breast imaging

*D*iploma European in Breast Imaging

This is to certify that

Pandora Papantoniou

having satisfied the examination requirements
online, on March 18, 2026,
has acquired the **European Diploma in Breast Imaging (EDBI)**.

This qualification attests a standard of in-depth knowledge
in the field of Breast Radiology as outlined in the Breast
Radiology chapter of the **ESR European Training Curriculum
for Subspecialisation in Radiology**.
